

Fiona Stanley Hospital

Community Information Session

Tuesday 24 November 2009

All interested local residents and other community members are invited to attend a Community Information Session to learn about the progress of the Fiona Stanley Hospital development at Murdoch.

Project team specialists will be there to answer your questions and provide information on a range of topics including:

- construction updates
- site works progress
- the design of the hospital
- road networks and traffic planning
- environment and landscape
- wider precinct planning
- public transport
- working at Fiona Stanley Hospital

DATE Tuesday 24 November 2009
TIME Any time between 4.00pm and 7.00pm
VENUE Bibra Lake Community Centre
Parkway Road, Bibra Lake

For more information phone 1800 659 475 or email fsh@health.wa.gov.au
